The **AUGUST meeting** will be on the fourth Thursday due to the St. Elizabeth festival. The **NEW DATE** is August 25.

The trustees and other officers reviewed and audited last year's financial records on June 29. The committee could not submit their report on July 21 as a majority of them were on vacation or out of the country. They will submit their report at the next Assembly meeting on August 25.

The officers prepared a proposed budget for the current fraternal year. This budget is enclosed in your newsletter for Assembly 2380 members. The budget will be presented and discussed at the August meeting.

I need more e-mail addresses. Thank you to those of you who responded to date. I hope you enjoy receiving the electronic version a week earlier than the rest.

The Fourth Degree was established on the principle of patriotism – love for and devotion to one's country. This principle applies to every country where the Fourth Degree is present. We Americans live in a place where others wish they could be. We take for granted the twenty-four hour services provided for our convenience. We also take for granted the men and women who go into harm's way for the opportunities we feel are our rights.

Therefore, I plan to make the spirit and principle of patriotism our primary goal. I have invited SK Robert Neider to be our speaker for the August 25 meeting. Bob is the point of contact to the Veterans Administration hospital in Chillicothe. Our Assembly can provide the manpower for the November spaghetti lunch with the veterans, passing out the teddy bears in December and the Veterans picnic in June. Each activity takes about two hours. I will find the time; I hope you will join us in thanking these men and women by your example.

Installment Two

Being a Catholic Gentlemen in these times

The fourth commandment, "Honor thy Father and Mother" refers to more than our earthly parents. This commandment reminds us that God and the Holy Mother Church are our spiritual parents and, through them, we receive the opportunity to gain entrance into everlasting life. We are not guaranteed salvation; we must earn it. As Fourth Degree knights, we know the principles of our Order and we are given opportunities by God to show our charity, unity, fraternity and patriotism. We must listen to our spiritual parents and much as we listened to our mortal parents when we were young. When we turn our back on a single person, we have turned our back on God. This is part of the second greatest commandment that Jesus referred to: "Love thy neighbor as thyself." May we Sir Knights, through our example, honor all the mothers and fathers for their diligence and sacrifice.

All new Sir Knights as well as current Sir Knights need to complete your directive. This is the document that instructs the assembly on the presentation of the Chalice and Sword upon your death. Having this done in advance eases the burden on you family. A directive may be changed at any time. Blank directives are available from our Faithful Comptroller. If you can't make our meeting, please call the

comptroller at the phone number above and he will be glad to mail you a form.

I received requests for nametags for both the men and the women. Please provide your names to Ray Bissonnette.
