The Assembly voted and approved a motion to extend the duration of the chalice assessment to honorary life members. This \$5.00 assessment will be developed into a resolution and submitted to Supreme for approval. This assessment will probably begin in the 2007 billing cycle.

Speaking of billing, the Faithful Comptroller mailed second notices to many individuals. The Assembly thanks the 58.29% of the membership that have paid their dues. We look to the other 41.71% of the membership to pay within their annual dues and any outstanding debts they have with the Knights of Columbus. We have an obligation within the Knights of Columbus Charter Constitution Laws and the Laws and Rules Governing the Fourth Degree to pay our dues within three months after they are levied. The Faithful comptroller mailed the dues statements in December 2005. Please pay.

The Admiral position is vacant due to a resignation.

One of the trustees approached me last month to enter an article for new officers. (I hope this isn't a hint from the trustee.) The nominations for officers for the 2006-2007 fraternal year will be discussed in next month's newsletter. Article VIII of the Laws and Rules Governing the Fourth Degree of the Knights of Columbus (2002) outline in detail officer positions. Hint, this is recommended reading.
